

ReplayParser\ratedPreg

```
graph LR; A[ReplayParser\ratedPreg] --> B[ReplayParser\matchFunc2]
```

A diagram showing a call from the `ratedPreg` method of the `ReplayParser` class to the `matchFunc2` method of the same class. The `ratedPreg` box is shaded gray, and the `matchFunc2` box is white. A blue arrow points from the `ratedPreg` box to the `matchFunc2` box.

ReplayParser\matchFunc2
