

HnSParser\parseHeroData

```
graph LR; A[HnSParser\parseHeroData] --> B[Hero\mark4DL]
```

A diagram showing a call from a function to a target. On the left, a gray rectangular box contains the text 'HnSParser\parseHeroData'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Hero\mark4DL'. Both boxes have a black border.

Hero\mark4DL
